Carrot tablets with biotin

WINNER PLUS Carrot Tabs with biotin is a natural product which helps to maintain a constant body weight. It promotes the purification of the entire organism, supports pigmentation and ensures a correct skin peeling. The naturally contained Vitamin A is often necessary and recommended because during the phase of food processing the nutritional values of this element can get lost.

Application areas:

- Strengthens the immune system
- Improves reproductive activity
- Supports the development of natural pigments
- An anti-worming effect is also said to be beneficial to carotene ingredients

Composition: Carrots, dried and ground; milk and dairy products; beta carotene; dextrose; biotin; vitamins.

Analytical constituents: Crude ash 6%; crude protein 5%; crude fiber 2,50%; crude fat 1,20%.
Nutritional additives per kg: 4.000 mcg biotin

Recommended use: WINNER PLUS Carrot Tabs can be served mixed with the food or can be fed pure. For picky dogs, we recommend to crush the tablets in advance.

Available formats: 200gr; 600gr; 1400gr
