Osteo Tabs Tablets

WINNER PLUS Osteo Tabs is a total naturally product with selected herbs. It contributes to proper growth and to a positive development of the skeletal system as well as tendons, ligaments and joints. Ideal for large dogs or breeds that have a genetic disposition for joint problems. Collagen is an extracellular protein responsible for the strength and flexibility of the connective tissue and together with proteoglycans, chondrocytes and water supports the development of the cartilage. The natural ingredients of these tabs support the formation of this protein and guarantee optimal cartilage development. It favors an ideal growth phase of puppies, prevents deficiency symptoms and supports the organism of active dogs as well as pregnant and lactating bitches.

Composition: Milk and dairy products; natural enzymes (Yeast); dextrose; gelatin (collagen hydrolyzate); herb mixture; devil's claw (Harpagophytum); birch leaves; horsetail; willow bark (white willow); dandelion; nettle leaves.

Analytical constituents: Crude protein 25%; Crude fat 2%; Raw fiber 1%; Raw ash 8%.

Recommended Use: WINNER PLUS Osteo Tabs can be fed mixed with the food or being offered to the dog pure.
