# Strong Biotin Tablets

WINNER PLUS Biotin Forte Tabs is a pure natural product. The permanent use supports a healthy shiny coat and cares for a sufficient skin hydration, whereby in particular the hair loss during the change of coat is positively influenced.

It promotes the carbohydrate, lipid protein metabolism and is important for the breakdown of B vitamins. When administered correctly, it supports a healthy skin and a strong, shiny coat and minimizes hair loss. It helps to protect the function of sebaceous glands, the nerve tissue and the bone marrow. The ingredients of Biotin Forte Tabs also contribute to optimal pigmentation of coat, nose and paw pads.

#### What does the lack of biotin cause?

- excessive hair loss, dull, dry and brittle coat
- dermatitis, eczema, skin irritation and injuries, pigmentation disorders
