Top Fit Multivitamin emulsion

WINNER PLUS Top Fit is a multivitamin emulsion with fast absorption for dogs, cats and animals with stress-related hair problems. It provides fullness and vitality thanks to the well-balanced vitamins complexes (B, C, A, D, E, K group) and promotes high digestibility. Top Fit is the ideal product, for pregnant and nursing bitches, also suitable for active dogs in training. This multivitamin complex is also very suitable for recovery after illness or surgery. Top fit is very wholesome and promotes high digestibility. It allows rapid absorption in the lymphatic system and spares the liver. Top Fit is particularly well-suited for sensitive animals due to its optimal and carefully selected composition.
